District Update by Mrs. DeDominick:

- March has been a very busy month. Budget work continues. It does appear there will be some additional funding coming from the State, but we do not have definitive numbers.
- Next year we will be changing the way we are providing AIS services. Given that, there was no longer a need to employ as many Teaching Assistants as we have now. Providing the retirement incentive, allowed several TA’s to retire, thereby eliminating the need to cut those positions from the 2019-2020 budget.
• The retirees will be missed. They provided many years of dedicated service to our students and district. They will be missed.
• Annual reviews are in full swing.

RPES Update by Mrs. McGrouty:
• Literacy Night was held last Thursday. It’s been the largest attended. Thanks extended to Kelly Juliano and Robin Delaney for coordinating the event.
• Author Eric Luper is coming to visit on March 26 discuss his books and writing style.
• Please join us for PTA McDonald’s Night is March 27th from 4:30 – 7:00.
• April 3 & 4, our students will be taking the NYS ELA Assessment.
• STEAM Day is scheduled for Tuesday, May 21st.
• I am very excited about the next step of my career. I know I have big shoes to fill and am grateful that Kelly will be there to guide me.

TES Update by Mrs. O’Brien:
• Our Kindergarten classes enjoyed their fieldtrip to the Science Museum.
• I participated with Dana Roman on the NAMI Mental Health Support Sessions for Parents. It was a great opportunity to work with 6 families.
• Rebecca McGinn was in to work with our UPK staff on social/emotional issues.
• Eric Lepus worked with our teacher on balanced literacy.
• The staff development provided at the March 22 Superintendent’s Conference Day was amazing.
• Our Character Ed Assembly was held today. This month’s trait was ‘determination’. Next month’s trait is ‘passion’.
• The Literacy Spring Fling is planned for Thursday.

Curriculum/Staff Development Update by Mrs. Smith:
• The March 22nd Superintendent’s Conference Day focused on Social/Emotional PD and Curriculum Mapping. It was a very productive day. I need to give a shout out to the High School staff for all of their work on curriculum mapping. They did some great work.
• SED was in last week regarding the CSI identification at KMS. We learned we are in nice shape, identified some quick wins
and short term goals. It was a great experience. Becky joined in on the meetings because this is a 3-year commitment.

- I will be attending the Targeted District Conference tomorrow with Dana and Becky.
- We were notified that the District will be audited in regard to Title I, Title IIA and McKinney Vento.

KMS Update by Mrs. Phelan:

- We held parent meetings with those choosing to opt-out for their kids. We also held assemblies for grades 6, 7 and 8 on ‘Say Yes to the Test’ to rally the kids. It was very successful. Mr. South helped by making a great video of an 8th grader interviewing teachers and students around the school. It was all very positive.
- Along with our SED visit last week, an outside consultant was brought in to meet with teachers, students and parents. They said we are very capable of coming off the list. Short-term goals include a google calendar that will be shared to give parents more information about what is happening at school. Brain Breaks will also be worked into the students’ scheduled to allow for mindfulness activities to allow them time to rest their brain. We are going to try the last 3-4 minutes of Period 4. These short term goals will feed into a long-range plan. We will get a parent focus group up and running. Kelly Smith indicated we hope to implement these short-term priorities in all four buildings.

Guidance and LHS Update by Mr. Rashford:

- The Mentor Program for at-risk students is using Google Docs to communicate more. We are seeing improvement.
- Music in Our Schools concert was held on March 7th and was well attended.
- The SAT Prep classes are being given.
- Dr. Eldred had meteorologist Steve LaPointe from New Channel 6 in. He gave an awesome presentation that the students really enjoyed.
- The Thrift Shop and Food Party are up and running.
- Students will be participating in CTE visits to learn about the programs offered.
- FAFSA and 8th Grade Night were held on March 13th.
- On April 3th the College Caravan will be here.
- The Guidance Department will be adding our own curriculum map to coincide with the other departments.
• There are some very highly qualified candidates coming out of educational counseling programs. Edda is doing a great job.

Athletics Update by Mr. Colfer
• Congratulations to our boys bowling team for claiming the Division II High Team Score event at the 2019 NYSPHSAA Boys State Bowling Championship.
• Our Girls Basketball and Girls Bowling Teams retained a 90% or higher GPA. They will be recognized, along with the Boys Bowling team at next month’s Board Meeting.
• A Wellness 3K Run is scheduled for Saturday, May 18th. There is no fee for the race. We are hoping to clean up the Uncle Sam route and get the trail ready.

School Community Partnerships Update by Mrs. DeDominick:
• The District has been selected to be honored, in the School/School District category, at the 2019 “What’s Great in Our State-A Celebration of Children’s Mental Health Awareness” event. This event is the centerpiece of New York State’s recognition of Children’s Mental Health awareness. At the event, they recognize and honor individuals and programs that are doing outstanding work to bring positive mental health outcomes for children, youth, young adults, communities, and families.

Motion by Mrs. Speanburg:
